

Everyone is talking about the benefits of using **Givelify**

“Givelify is fantastic because it is so convenient and effortless to use. Giving has grown and our members are overjoyed to have it as an option. I encourage every church to sign up. It’s a great tool for dynamic ministry.”

Dr. E.L. Branch
Senior Pastor of Third New Hope Baptist Church

“Givelify has increased our giving by about 40% per week. Our young people, people on vacation or at work who can’t make it to church now give consistently throughout the week, not just Sundays.”

Dr. Calvin McKinney
General Secretary of the National Baptist Convention, U.S.A., Inc.

“Givelify makes giving quick and easy. It has measurably impacted our congregation. I wish we started using the app years ago. Love Givelify and highly recommend it.”

Dr. Claybon Lea, Jr.
Pastor of Mount Calvary Baptist Church

“As the oldest Black church in North America, we are deeply rooted in history and tradition. However, because Givelify is so convenient and easy to use, our young adults and even some of our senior disciples love using this outstanding app to give. I would highly recommend Givelify to any church that wants to strengthen their stewardship ministry.”

Reverend Thurmond Neill Tillman
Pastor of First African Baptist Church
