## YOU CAN MAKE A LIFE CHANGING IMPACT!

Angel Tree, a ministry of Prison Fellowship, reaches out to the children of incarcerated persons and their families with the love of Christ. This course gives your church an opportunity to share Christ's love by establishing a Christmas gift and note ministry for the child or children in the name of their incarcerated parent. This act of kindness and love by the church helps to meet the physical, emotional, and spiritual needs of families and incarcerated persons.
