We've got to  
be **Authentic**

A group of people are sitting on folding chairs outdoors, likely at a vaccination site. Many are wearing face masks and winter clothing. The background shows parked cars and a building. The text "We've got to be Authentic" is overlaid on the image, with "Authentic" highlighted in a blue box.

A large black cross silhouette is centered on the page, set against a background of a sunset sky with a rainbow. The text is overlaid on the right side of the cross.
