NBC Women, National Baptist Day of Prayer has blessed the lives of many down through the years. Many will observe on Monday, May 15, 2023, as recommended. If you do not have a Service planned, please join me in Prayer wherever you are at 12 Noon (30 minutes) on Monday, May 15th. Concentrate on the prayer concerns listed on the flyer attached. Thank you for the collective efforts of our State Presidents and Sisters for all you have done and continue to do to make this effort successful. We have reached out in prayer and with resources to our brothers and sisters around the globe. We have heard the call, "We are hungry," and we are responding.

Please pray for the success of our Congress of Christian Education taking place in Louisville, Kentucky June 19-23, 2023.

Now, as we prepare for our Annual Session in September 2023 in Kansas City, we are looking forward to a great time of spiritual development and fellowship. Together, we can make a difference. We will worship together on Sunday and continue throughout the week. More information will come soon.

Our Hour of Power will take place on next Thursday, May 11, 2023. This will be an information meeting only. We will receive directives for Fashion Share, and other initiatives. The Mission Lessons will resume after our Annual Session in September.

We are asking that all Committees get busy to the Glory of God as we prepare.

Thank you, Dr. Jerry Young for the opportunity to serve. Women, let us continue to lift our Convention President, all leaders, sisters and brothers up in prayer. More prayer, More Power!

Best Regards and Love,

Dr. Cynthia Perkins Smith
