

INDIVIDUAL REGISTRATION

All delegates must register annually with the Parent Body of the National Baptist Convention, USA, Inc., through an entity such as a member church, district association, or state convention. Registration through the Parent Body must be established before registering with any auxiliary or department. Parent Body registrations include a listing of the delegates of that entity. Individuals who are not part of an entity may register with the Parent Body in the Individual Registration category of \$100.00 per person.
